

## **LISTING BULLET POINTS:**

[PROFESSIONAL SET UP] This dreadnought acoustic guitar is set up by our experienced luthiers in the USA. Attention is given to finish, frets, truss rod, and saddle, and the action has been adjusted for optimum playability across all strings.

[QUALITY MATERIALS] The Giuliani DN-5 has a 5-piece mahogany neck with ebony stringers and a satin finish, a solid Canadian cedar top that gives the instrument a richness of sound, and beautiful laminated mahogany back and sides. Fretboard and bridge are solid rosewood. Nut and compensated saddle are real bone. The DN-5 also features mother-of-pearl and abalone inlays and has pre-installed strap buttons at base and neck heel. Scale length is 25.5".

[ACCESSORIES INCLUDED] Your guitar comes with an Antonio Giuliani gig bag, professionally installed D'Addario light gauge strings, microfiber cleaning cloth, nylon strap, KV guitar picks, and an extra set of Portland backup strings.

[HAND-MADE GUITAR] Antonio Giuliani guitars are known for their high-quality craftsmanship and performance. Playing your music with a quality guitar, as you know, makes all the difference. The solid cedar top gives the instrument a richness of sound to complement its balanced bright and deep ranges.

[LIFETIME GUARANTEE] All of our Giuliani guitars are fully backed by a lifetime warranty and a 45-day money-back guarantee. Order your new Giuliani guitar bundle and experience the quality and value of an Antonio Giuliani guitar.

## **ALTERNATE DESCRIPTION:**

<p>The Antonio Giuliani DN-5 Acoustic Dreadnought Guitar is perfect for players of all levels. Dreadnought style guitars feature a larger body that provides a bold, rich, and loud tone. The solid cedar top gives the instrument unmatched quality and richness of sound. It has laminated ribbon mahogany back and sides.</p>

<p>The nut and saddle are genuine bone for the highest quality sound and response. The saddle is compensated for accurate intonation. Saddles are accurately shaped, height-adjusted, and sanded for optimum playability. This guitar has a solid rosewood bridge and beautiful abalone inlay on the bridge pins. The highly stable 5-piece neck displays inlaid side position markers and mother of pearl fretboard markers. It also features a solid rosewood fretboard.</p>

<p>The body is fully bound both front and back. The headstock and fingerboard are fully bound as well. The inside of the body is constructed with x-bracing to ensure a sturdy and responsive instrument, and notched kerfing to keep the body light.</p>

<p>Every guitar is set up with high-quality D'Addario XT steel strings. 25.5"scale length.</p>

<p><strong>Quality construction at a great value!</strong></p>

<p>All Giuliani guitars are constructed with dual-action truss rods. These provide the ability to adjust the guitar between light, medium or heavy tension string sets, and do not require seasonal adjustment like traditional compression truss rods. This flexibility in adjustment also reduces the acclimation period when the instrument is moved to different climates.</p>
